Coaches Selected as Cavaliers Prep for First Year of Women's Flag Football

SAINT-LAMBERT, QC – MAY 29, 2019 – The Champlain Cavaliers have selected the coaches who will be leading the newly developed Women's Flag-Football program into action this upcoming school year. **Alexandre David** and **Alexis Gaumont** will be at the helm as the team officially takes to the field for their first game ever on Sunday, September 9th.

"We're extremely excited with the Flag-Football program and the shape it's taking," said Vince Amato, Coordinator of Athletics at Champlain College Saint-Lambert. "We're looking forward to seeing Alex and Alexis develop something from scratch and being a part of that development. We think it will be an amazing experience for them and for our student-athletes."

Although this will be the first time either David and Gaumont have coached at the CEGEP level, their playing experiences in tackle and flag-football at the club, high school and college level, as well as their extensive coaching involvement at the high school level, give them a wealth of experiences to draw from. Both have coached successful flag-football programs at local high schools in the Montérégie and helped with the development of flag-football and of student-athletes.

Tryouts for the team will take place in August, with a date and time confirmed shortly. The Cavaliers will start their flag-football season on September 9 on the road. The team will play their one and home tournament on Saturday, October 6th at Seaway Park 3 in Saint-Lambert. Specific details will be posted once schedules are confirmed.
